ESSENTIAL INFORMATION TO KNOW BEFORE YOUR VISIT

OPENING HOURS

SPRING / FALL: 8:30 - 18:00
SUMMER: 7:30 - 18:30

THE CENTER

Duotone Pro Center Torbole is located on the northern shore of Lake Garda, close to the charming town of Torbole. You can find the center on the famous Conca d'Oro beach, the best starting point on the lake for your wind sports experience. It's more than just a school, it's also a great place to relax, make new friends, and spend an awesome time.

SPOT OVERVIEW

Lake Garda aka the wind machine is known for its prime watersports conditions. Especially the northern part of the lake - Garda Trentino - is popular with windsurfers and wing foilers as the wind is the strongest here. Due to the big amount of water traffic, the lake got divided into several areas. While windsurfers and wing foilers are allowed to surf in the whole northern part of the lake, the kite area is more restricted and located further south, close to Malcesine and Limone. You can get to the kite spot by catching a boat shuttle with us. Lake Garda is quite deep, thus we require all of our clients to be able to swim. The water temperature ranges from 4° C in spring to 21° C in summer. We recommend wearing a 4/3 wetsuit in spring and fall. On hot summer days, you will also be fine with a shorty or swimsuit.
